MEMORANDUM FOR: THE RECORD

SUBJECT : Meeting Regarding Two Ukrainian Defectors From
Turkey on 9 October 1957

1. The meeting was called by [] in reference to SR/7/DOB's request that they receive copies of traffic on the two Ukrainians who defected to the West via Turkey. Participants included [] [] [] [] (all from SR/3), and [] and [] from SR/7/DOB.

2. [] asked why SR/7/DOB was interested in this case. [] stated that it might be possible that they were members of the Ukrainian underground who knew of the whereabouts of AECARTHAGE-12. He requested that SR/7/DOB be included on routing for coordination or at least to receive information copies, as they are interested in them FI-wise. [] stated that since this is primarily an SE case SR/7/DOB has no real reason for obtaining information copies or being put on routing for coordination. He further stated that once the bona fides of these people were established SR/7/DOB will be given the necessary information.

3. It was suggested that SR/7/DOB prepare a memorandum listing their requirements and that these would be obtained from the two Ukrainian defectors.
